

THREE RIVERS MUSIC THEATRE COLLEGE AUDITION PROGRAM

DREAMS REALITY

Hi! My name is Andy Planck, and I have been successfully guiding students to their dream schools since 2008. College auditions are a seemingly impossible process with very little transparency, tons of unwritten rules, and endless avenues of conflicting (often outdated and WRONG) advice. I don't know how students and parents would successfully navigate this experience without a coach or advisor.

IT'S THE PROCESS THAT'S CRAZY, NOT YOU!

The Three Rivers Music Theatre College Audition Program is unique because I am with you for the entire college audition journey -- from our first coaching session to the day you make your final decision. Together, we will work through every detail to ensure you walk into auditions with excitement and confidence.
